Dear Ms. Loghin,

The Military Aviation and Installation Assurance Siting Clearinghouse (Clearinghouse) has reviewed the Verdigris wind farm project in Nowata, Oklahoma. The Clearinghouse found no adverse impacts to DoD missions in the area and has entered a determination of "No Objection" via the Federal Aviation Administration's Obstruction Evaluation / Airport Airspace Analysis system.

We encourage you to consult DoD well in advance of any expansion. If you have any questions, I can be reached at robbin.e.beard.civ@mail.mil

Sincerely,

Robbin E. Beard
